No time to fit in a game, but
 time to talk a bit. Most of you
 don't know me, but I put out a zine that
 has been out on time for 3 years(almost)
 I lack in typing and grammar, and have
 13 regular about 5 variants now
 going which is too much, and thus
 I'm forced with this zine to cut off
 all press. I like press and think
 it is great but alas I can't do it
 with all the games I got. Also I
 sell SPI games at \$6 each, Add 50¢
 per game for Canada Conflict games,
 I have 1776 on sale for \$8.50!
 If you like you can write to me
 for a list of what I have, I have
 about \$500 worth of stuff in stock
 and to say the least I've got to
 sell it!

TO AE Note In issue #11 I forgot to underline the Austrian
 move to Rum as Russia had an equally supported attack on Rum,
 I received Mr. Wilson Orders today, to late for the game. When the
 deadline is set that is the date I must have the moves in my hands
 for I then do them that night if possible. ~~once typed up forget~~
 it! He had his postmarked the 27th the ~~deadline~~ date.
