THE LORD OF HOSTS and THE MILLER NUMBER CUSTODIAN
(a game of many players and few rules)

The LoH is the organ of the Miller Number Custodian (MNC). The function of the MNC is to issue new Miller Numbers (MNs) and to curate the MN records. A MN is issued, on request, for each game played by mail of a Diplomacy* variant. The MN identifies the game by:

- year of game start
- the particular variant
- a game identifier

The whole MN is unique to a given played game. In the MN files, the MN references more detailed information about the game, such as, the variant's rules, the players, the publishing 'zine, and the denouement of the game.

It is my personal policy not to trade LoH for other 'zines. I will send gratis to anyone who has requested and received a MN during the year, the next few issues of the voice of the Miller Number Custodian, "The Lord of Hosts". While supplies last, any reasonable requests for copies of LoH will also be satisfied.

This does not mean that I don't want your 'zine. Of course, I appreciate receiving copies of other 'zines. Remember, LoH comes out sporadically at best.

M.S.
AMNC

+ + + + +

With this publication, I am turning over to Greg Costikyan all responsibilities for Miller Numbers. This has Bob Sachs' blessings. I hope that Greg can devote the needed time to being the AMNC, and wish him luck. Perhaps I'll meet some of you over some future game board.

✍

Mike Smolin
