

Magus # 100

April 4, 1990

A few days late as usual. This past weekend was Daf's birthday. That's the second time I have phrased it that way. Rather, this past Saturday was Daf's birthday. She's all grown up now.

We celebrated by taking in a couple of movies at random. We wanted to do some book shopping at the South Center Mall (that's what she wanted, honest) and so headed on down that way. The South Center theatre was showing 'Red Octobe' (that's all they managed to fit onto the sign), so we went on down to another cinema that Daf had noticed. It was showing 'Blue Steel' and 'Stella' on a double bill for their matinee price. We couldn't pass up a deal like that.

They were both excellent. Neither got rave reviews from the local critics. I was half expecting 'Blue Steel' to be a female 'Dirty Harry'. Instead, it was a tight, tense thriller, Jamie Lee Curtis does a great 'woman on the edge' and Ron Silver does a fantastic 'suave psychopath'.

'Stella' is a real melodrama, not my sort of movie at all, and I still liked it a lot. I even cried.

Afte the movies, we shopped for books (for both of us) and then went to 'Winners', a 'casually posh' new restaraunt in the area. The theme is sports. In fact, what it really is is a high priced sports bar with delusions of grandeur. They make great salads. I was lucky in that I ordered a salad. Daf went for the prime rib, rare, and got an under-done baked potato and cold meat. I was having too much fun with my salad to realize her food wasn't being eaten with any zest.

I ordered a Michalob at the bar, before dinner, and was served some sort of 'lite' beer instead. Do they make Micholob 'lite'? What with one thing and another, they sort of blew any chance they might have had of getting any repeat business out of us.

Sunday, I spent in bed, sleeping mostly, trying to get rid of the Spring cold I seem to have contracted. Some of the folks at work have tried to convince me that it is allergies. They both have allergies, and we all got our symptoms at about the same time. The difference is that mine get better when the weather turns nice, and worse when it dives back into Winter, while their symptoms do just the reverse.

Monday and Tuesday I worked on my homework at the office (I'm taking a rather difficult database course. A great part of the difficulty is that the guy who is teaching the class is teaching it for the first time. When he knows what he is talking about, it is great, but he does not always know, and he doesn't know that he doesn't know, which makes it even more of a challenge for the rest of us.

This is the list of those who are getting MAGUS. To be on this list, you have to play, standby, or have some other quality that makes me want to send this to you. What that quality might be, I leave to your imagination.

1987 AL PRESS

KOHMAN to SLOSSAR: How the Hell does a 15 unit power MNR? You really are a hopeless case, aren't you?

BOB to ALL: I wasn't around last time to vote no to the draws, yet they failed! Could it be that someone else wants the win?

RIKKO to MAGUS: Congrats on your 100th Anniversary! I know...you tried to quit over a year ago. So did I! Everybody jump on the "Blame Slossar" Bandwagon! (But I think he was right...somehow or other, it's undoubtedly Don Williams' doing...)

STEVE to RIKKO: I don't know. I'm sort of enjoying this again.

BO(T) to RIKKO: Blessed are the spiteful for they shall not be refused torture.

STEVE to BOT: I never thought of myself as spiteful...come to think of it, I never thought of this as torture. Musta been two other guys.

BO(T) to DAF: What a thought, Toady is forever huh? I wonder if Millie knows that?

DAF to BO(T): I don't know if Millie knows it or not, but if I catch her hands around one of my toadies, she'll draw back a stump!

BO(T) to STEVE: You know your wife is a loose leaf in the notebook of life.

DAF to BOTTOMER: And you are the footnotes!

BO(T) to RIKKO: At last the flag flies over Iceland. The long struggle for French dependence by the Icelanders is over.

RIKKO to DAF: Part 1: I'm not sure about the proverbial "hole in the Ground", but it's unfair to expect him to tell his ass from his mouth after all, he's a LAWYER, ain't he? By definition, both ends expel the same hot, smelly gas....

BO(T) to DAF: I'm not drilling for water, babe! And no asshole I ever saw was a dry hole in the ground.

RIKKO to DAF: Part 2: You haven't told Steve about my "Phone-Voyeurism" have you? So, did anyone ELSE got to wish you a Happy Birthday in your Birthday suit?

DAF to RIKKO: No, I haven't mentioned it to Steve YET! But now that he knows, he'll probably go rouse some rabble around here.

STEVE to RIKKO: I got to wish her a Happy Birthday in her Birthday suit. Come to think of it, we were dressed alike.

BO(T) to STEVE: Oh, I don't know, I think you could do a good job of rabble rousing if you tried.

RIKKO to STEVE: Yeah, it's an old pun, but I still LOVE it; "Let's go out and erect a phallic symbol!"

RIKKO to DAF: Part 3: In re the "70's Contest"...well, "fathering a child" is an EXTREMELY positive event (for 2-3 people), but your account suggest a 'positive' aspect that affected HUNDREDS! Your entry is now in the lead, subject to verification. To claim your Clark Bar, merely submit to our lecerous judging panel a photo of the alleged "positive condition" (i.e. shorts slit to the waist, haltertop, etc.) NOTE: A reenactment photo will certainly be acceptable.

DAF to RIKKO: My sister is the keeper of the photographic records and I will have to petition to her for a picture. When I have begged long enough, she should send me one and I will send it on to you.
