**TURKEY** (Brannan): ARMY SYRIA STAND. FLEET CONSTANTINOPLE STAND.

The Turkish Fleet Constantinople must retreat to either the Black Sea or Ankara. This will in no way affect the center count.

**ENGLAND:** Home, Norway, Sweden, Denmark, Holland, Kiel, Berlin, St. Pete (10) no change.

**FRANCE:** Home, Iberia, Belgium, Tunis, Munich, Italy, Austria, Serbia, Greece, Bulgaria, Smyrna, Constantinople (19) Build 5.

**RUSSIA:** Rumania, Sevastopol, Moscow, Warsaw (4) No change.

**TURKEY:** Ankara (1) Remove one. (The army retreating from Smyrna last time was not given a retreat order and was annihilated).

Even if France were not to take any of her builds this season, she would still have an absolutely obvious majority of the units on the board (either 16 out of 31 or, if France builds, 19 of 34). So Dan Barrows is hereby declared the winner of the MARSOVIAL game.

If Dan has a printable victory statement, I'll print it next time. Otherwise

AU REVOIR.
