PRESS- We still got no press from you guys yet. Come on, write something and it better be funny.

We got a new game with new openings---- THE SON OF SAM GAME

These guys are :

Dave Lewis- Russia
Emil Perkins- France
Eric Ozog, Sr.-Germany
David Lintner-England
Tom Anderson- Turkey

Come on guys, just two more players and we can get this game rolling.

We got a special offer. Get your best buddy to sign up for a game and if he mentions your name you get 5 free issues. Not bad, huh?

Coops- I almost forgot to mention. I will be trying to get Mark Perch to do a game commentary on THE GACY GAME. If he goes for it and I think he will, this should spruce up the game some.

Well thats about it an I hate to say it

but we are just about running out of space

so take it easy (not too easy) until

next time.
