The Spring 1801 moves must be received on or before Thursday the eighth of December, 1966. Acting gamemaster is Charles Turner, 843 Santa Fe, Albany, California 94705. All persons who have not already done so should include payment of the \$2.50 game fee with their moves. If everyone will send me their phone numbers, I will print them.

Two things to remember when playing Napoleonic Diplomacy, Miskatonic style:

1. The units of Germany and Italy stand, and are annihilated if dislodged. A unit of a great power may support one of these standing units.
2. The Swenson Rule is followed.

REMEMBER THAT DEADLINE: 8 DECEMBER!
