

THE MIXUMAXU GAZETTE

92

4 February 1979

With an air of a group of children ending a game of Ring Around the Rosie, we once again have the Mixumaxu Gazette limping its way towards the 100 mark, produced by Robert Bryan Lipton of 556 Green Place, Woodmere, N.Y. 11598 USA, telephone [516] FR 4-4723. Subscriptions are eight issues for \$2, and back issues will be available from Greg Costikyan, if and when I hand them over to him. Non-players may get back the balances of their subscriptions upon request. The games are no longer protected by Duh New York Mafia Protective Association.

People have requested details on my removal from Boston. There are a bunch of reasons, but I suspect that the main reason for the requests is to see some writing here. Sorry, folks, I've explained this matter too often to be thrilled about repeating the explanation once again. Let it stand that here I stand.

Meanwhile, the first issue of APA-Filk will be out in time for Boskone. It is not too large, as I had expected, but this is not surprising. I hope to see a few of you at Boskone. Or Lunacon. Or Princecon.

Rest assured that I shall be making it to DipCon. I shall not be present at all the events, mind you, for I expect to spend at least part of the time sitting at a huckster's table, a task for which I am semi-prepared by what happened a few Lunacons ago when I sold off duplicates from my collection. This time, however, I expect to be selling Al Nofi's Knights & Knaves, an excellent game. I expect those of you who show up to buy at least one copy each.

Things are much nicer in New York. That is the primary reason why I am back. Is that enough, Mark? I knew it wouldn't be.

Abyssinia,

Robert Bryan Lipton
