ANNOUNCEMENTS

This issue is late because on two opportunities I was forced to leave Fresno for Bakersfield and the nature of the business did not give me time to finish the games. I don't plan these delays in the future. Because of the tone of many of the letters from many of you that have never been late for anything I have decided to make a few changes to help speed up the zine and make up for my unforgivable slowness ~~XXX~~. From this point on, there will be no sealed orders accepted, Fall moves will be sent in along with the builds for that year, no press releases will be printed. Builds may be made conditional. ~~XXXXXXXXXXXX~~

BC#38 is ready for Fall moves so don't forget to send builds also.
