

NATIONAL CHAMPIONSHIP OF DIPLOMACY

POLASKA II
JUNE 1969 #3

Published by Dan Evans, 3405 Westchester, Bakersfield, Calif. 93309

As most of you know, I am also running another Diplomacy Tourney. It has fallen short of success mainly because of a poor replacement policy. Therefore, the replacement policy in this one is to be changed. From now on, replacements will come from outside the tournament and will take over completely including the previous players total points. As of this time at least three have missed moves.
