

POLITICIAN 16

TIC "CATHERINE MCCORMACK, UPER MAIRI CAC/DCS' XKANGREESI RCLIBARCI" KOGAN

This is POLITICIAN #16, a product of the Crossroads Press International, edited entirely by the Uli part of the Baumeister family this time around. He lives at 11416 Parkview Ln, Hales Corners, WI 53130. The phone number is (414) 425-4631. If you want to receive this, you have to pay \$3.50 for 10 issues. There are no same openings, and, I believe, comes out about once a month. This is EG/MCC Enterprises Production #151.

THERE ARE OTHER GREAT GROUPS OUT IN ROCKLAND BUT PRUCE SPRINGS ISN'T ONE OF THEM

We are now down to the bare bones; just names. Konrad is writing articles, but they are to be published elsewhere, like in the final issue of one of the best 'zines ever, Claw And Fang. Well, done with the editorial, on to the names.

There was a small mistake last turn. I forgot to list China's A Sik-Tib.
Also, India ordered F Zob-Gal, so China's A Hum-Sai should also have
been underlined. Sorry. Deadline is April 2 1951 in Heles Corners. SC Chart:

5th Armored Corps, 6th Fleet, and 3rd Tactical Air Force launched
a pre-emptive strike on Trieste.

PARIS: We regard this dastardly attack on Austria as a cowardly act of
aggression, and we have sent a stiff protest note to Rome!

DARJEELING-CRIMSON: The democratic will of the people here requested all
military units to leave this civilian sovereignty.

AUS-ITA: Feel grateful thatz Venice was chosen as a port of entry to
dock our shipp. Our ship was in need of inspection and diagnosis.
We bid you welcome.

AUS-ITA: Please don't attack me!

AUS-FRA: I have a vox shelter to offer you for your notes and messages,

Please send in combined winter/spring orders. Unless the idea is totally
overwhelmed with criticism, there will be no separation of seasons. No,
to be safe, and in combined orders under all circumstances. Let's
see if there is room for the Atlanticus game on the bottom of the page.
I type that there isn't. Because then I can put the whole game on one
page, not like the shore Youngstown game. It always disturbs me if I
have to turn the page to see what the others did. Well, it looks like
I haven't have anyone when we go hell with all this drivin'.

"Two things which I forgot: Anybody who is not playing in this game and has a map, please send in orders for the English position. We do not have a standby and I'd hate to see the position lapse into civil disorder. So, please do your 'zine a surface, ah service, and send in standby orders. All of this is unnecessary if Hooton gets his orders in, which I hope he does. Also, there have been calls for an ENG-CAN-CSA-FRA-CAN-CSA-ITA-FRA, CAN-CSA-ITA-FRA draws. Please vote on these. Not voting is a Yes vote.

and now for the press.

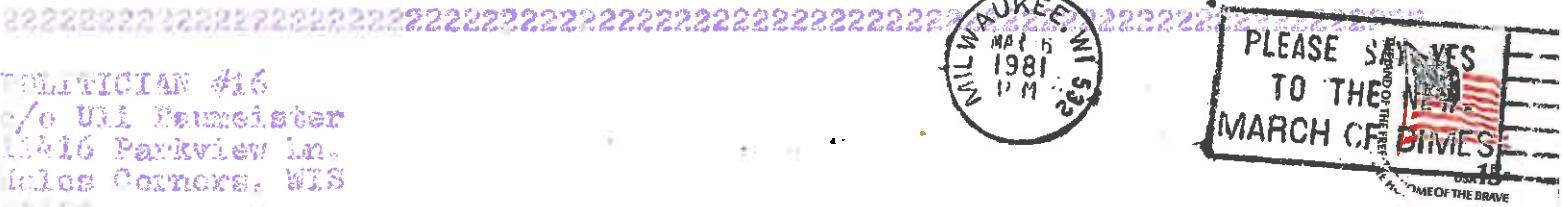

PARIS: If only we hadn't lost the Seven Years War, England would be invaded by Canada not us!

AZORES: Viva la France!

FRANCE: I should have taken Robert Wagner up on his offer!

ROMA: For God's Sake, let's end this. I propose a draw among the survivors.

That's it. I'm not going to babble for the next few pages just to fill them up. So, this is the end.
