Deadline for Fall 1905 is April 30. I am dropping Gene Fresnitz as I haven't seen \$ from him and he is several issues into debt. I've warned him about it, and I still haven't seen any bus. So, I am asking Robert Stimmel, Brooks Hotel, Apt #12, 1481 Sartolle Blvd, Los Angeles, CA 90025, to please take over the Russian position. Phil Cooper is changing his address, but doesn't know to where, so he has asked everybody to send correspondence to 60 W. Brandis, Staten Island, NY 10308. By next month, he should have a definite address. On to the press.

A MILKSONJ (MARCH): 1. O Polly dear, O Polly, the rout has now begun And we must march away at the beating of a drum: So dress yourself all in your best and come along with me, I'll take you to the cruel wars in HIGH GERMANY.

2. O Harry, dear Harry, you mind what I do say, My feet they are so tender I cannot march away, And besides, my dearest Harry, though I am in love with thee, I am not fit for cruel wars in High Germany.

3. I'll buy you a horse, my love, and on it you shall ride And all of my delight shall be riding by your side; We'll call at every alehouse, and drink when we are dry, So quickly on the road my love we'll marry by and by.

4. O cursed were the cruel wars what ever they should rise And out of merry England press many a man likewise! They pressed young Harry from me, likewise my brothers three, And sent them to the cruel wars in HIGH GERMANY.

(Youngstown press cont'd over)

I've heard from Mr. Fresnitz, so don't rule him out. The above is just a general standby call.

(Youngstown Press cont'd)

THEIR OCCUPYING UNCLE GHOULESH HONORS (EIGHT)-INDIA: A game well played, sir! Your attack on Russia, Turkey, Burma, and England was pyrotechnical.

BERLIN-MOSCOW: Thanks! Now I can fill press.

PEKING-LONDON: Meaning: One's ally is not an ally in every tactical arrangement.

PEKING-WORLD: Forbidden City announce Emperor suffer from tendonitis, which delays letters to foreign mercenaries and diplomatic emissaries. Peking very much await misdeed of Turkey & sends calm assurance to Vienna that Fortress Cluj very safe for moment (he he!).

A-N NEWS SERVICE: Death with dignity before dishonor is the Austrian motto. Unless the odds change, Austria is fighting an uphill battle for its existence. The unholy alliance of Italy, Turkey, and Russia have again been re-united. Italy, Russia, and Turkey equals 23 units as we enter the year 1905. Austria is defending itself from a 3:1 assault by the unholy alliance. Aye, Austria has a sacred right to exist. A-men!

AUS-ITA: Put down your brutal assault. Let us reason together. Remember neighbor when we were allies? Stop and draw new lines.

AUS-TUR: Regretments and vengeance will not settle the ever-rising question: If one falls, will Tur's allies turn on him? Let us renew our alliance! Diplomatic language is more effective than fighting a pie with two other insatiable appetites. Remember when Ita and Rus stabbed you on your own?

CHI-TUR: It won't be long before you'll be gone. Methinks Asia-Minor is a part of China.

ENG-RUS: Thank you for driving me out of Stp. Eng had no business in Rus in the first place. Please accept my humble apologies.

FRA-ITA: Do you need any help in eliminating Aus from the line? I am your humble servant.

GER-IND: Poor me! Your tears are refreshing.

AUS-IND: What purpose was served by moving your A Ira-Dev and standing me out last fall? Damn 1904!
