

THE CROSSROADS PRESS INTERNATIONAL

THE SEVENTH ISSUE

POLITICIAN #22  
August 22, 1961

Dedication:  
James Scott Conners

(POLITICIAN)

-----  
This is POLITICIAN #22, a product of the Crossroads Press International, currently moving to P.O. Box 6050 Henle Village, Georgetown University, Washington, D.C. 20057, U.S.A. When I have my phone number I'll pass it on, of course, but I don't have one right now. POLITICIAN is edited by Konrad Haunelster. POLITICIAN is published about every fourth week, give or take a couple of days, and sells at the permanent rate (it seems) of 10/\$9.50. There was a time when only variants appeared in its pages, but now it's kind of mixed, though it seems as though 1975CN will end soon anyway... This is EGNOC Enterprises Production #177. Moving along...

ASSORTED MISCELLANY

1. VERY IMPORTANT. In case you didn't read the colophon, which I assume you didn't, I'll reiterate now: As of right now, Konrad (me) have moved to a new address. Send all mail to:

P.O. Box 6050 Henle Village  
Georgetown University  
Washington, D.C. 20057

Effective immediately. Thanks...

2. I mentioned lastish that POLITICIAN and GIVE ME A WEAPON!! might be combined, remember? Well, they won't be. I've decided for the time being to keep them apart. They may be combined in some months in the future, but not this one. No, really, seriously, POLITICIAN's been around for over two years now and it may as well last for a few more months in peace.

3. Speaking of GIVE ME A WEAPON!!, it's doing quite well, I'm pleased to say. Issue #3 will come out this weekend, and will go to almost 50 people, well over what I had thought would be the case this easily. It does help to have friends from a few years ago, though. It costs 10/\$4 and a sample for a stamp. Only one position in the last game that I will have open for some time is left.

4. I'm going to try to keep this issue short (2 pages.) Let's see.

ROME again: Tell us, Berlin, wouldn't you like the two of use making it alone?

LONDON: I do hope this game does end soon. It would be ashame for Italy to lose part of the draw.

POLITICIAN: Ah, I'll make it a personal note.

Adjudications are tricky and some are corrected right off the master. I hope they're right this time. Chip Gannley will be at 1545 Breton Road, Grand Rapids, MI 49506 from 21 August to 10 Spentember. Fall 1907 orders due SEPTEMBER 10, 1961. Draw failed. Draws proposed: 1. E-I-E. 2. E-F-I-C. 3. G-I-E. Please vote with orders. I'll squeeze in as much press as I can; rest for next issue.

APPA (Asia For The Arent?) long ago lost India today surfaced in pgo-pogo. Too bad that it was not on the map before the game started. It was rumored that Japan was going to join and then it would be a double zero. All they then would need would be a seven to become world powerful.

CHINA TO ENGLAND: Chinese Emperor say he met man from Staten Island once, in presence of East Indian. Staten Island man interested transmigration and ask Indian (not Kluge) how will he return in next life. Indian reply, just as you are. No mention of cross-game variables, though.

POLITICIAN: Report must be delayed until next issue. Sorry for short issue, but this time it had to be due to general business.

For some this will be called with their CIVIL WAR A REASON! issues.
