A STATEMENT OF ECONOMIC NECESSITY

The number of new subscribers has dried up to a trickle. In order to keep going at the level we have been going, we need about thirty new subscribers. This means that every current subscriber must send us one-half of a new subscriber. This shouldn't be difficult (for those of you with saws). We have set a ten-week deadline for our picking up the thirty new subscribers. If we don't get three new subscribers every week, over the next ten weeks, we will be so in debt that we will be driven out of business. If two weeks go by without six new persons subscribing, we will be forced to start attempting to place our games with other zines. We don't want to, but we can't operate on a large deficit. Most of our traders have been responsible for sending us several new subscribers. Now our subscribers must do the same to keep us afloat. Please Help! Remember, we offer more articles than any other zine. We publish as many pages as any other zine, and more than most. And, we charge no game fees.

In accordance with the above: Back issues are now available for 30¢ each, and in an order of five or more, 25¢ each; Lord of the Rings Diplomacy map and rules sets for 25¢ and a stamped, self-addressed envelope; Ancient Hebrew Kingdom map and rules for 20¢ and a SSAE; Grand Fenwick's Revenge for 20¢ and a SSAE.

As usual, for every new subscriber you send us, you will be credited with five free issues.
