You may have noticed that the month on last issue's dateline was incorrect. It said November, and of course should have said December.

73-6 has been postponed again due to lack of moves. But, we are happy to report, that at last we have a confirmed full roster of players.

Those who plan to phone in moves to Raymond Heuer for games due over the weekend of January 5th, should call in those moves earlier in the week. He will not be near a phone for most of that weekend.

A clarification: The postponement rule for games in which moves are not received applies only to moves that are messed up by the mail crush. Your moves must be sent in before the deadline. You do not have an extra two weeks to send your moves in, only for them to arrive.

Please get material for the anniversary issue in as soon as possible.
We continue to strongly solicit such material.

We really need fifteen more subscribers by January 15. Why? Because
our costs have gone up dramatically. There is a paper shortage. Our
paper is no longer cheaply available. The postage rates will not **rise**
until March 1, but they will go up. Our increase in subscription costs
from \$1.80 to \$2.00 per ten does not cover the total rise in expenses.
So please, write your friends and enemies alike, and tell them to sub.
Anyone who subs now will get the First Anniversary Issue as part of
their sub. Why not give a friend a belated Christmas present of a
subscription?
