We need some more stand-bys. If you aren't one already why not become
one? It's a good way of possibly getting in a game for free, and besides
it's good for your soul. Just write in and tell us you want to be one.

Well we just made it. We have gotten enough new subscribers so that it
looks like we can afford the rise in supply costs and the postal rate
hike of this weekend. Our thanks to those who got friends to sub.
