Most of the game-masters will be at  
the Lunacon next weekend. So do not  
expect to be able to phone moves in.  
In addition, the next issue will be  
one or two days late. A write-up on  
the Lunacon will be in a future issue.

A concession to Germany has been proposed. PLEASE vote Yes with your next moves. Would Gary Peterson please send in stand-by moves?

A personal statement from Nicholas Ulanov: This is the worst game I have ever been associated with or seen. It is an embarrassment. The sooner it is over the sooner the humiliation will end.

IT WAS ALL A JOKE. That notice in the last issue about how we were raising our game fees to \$8.00 and making everybody pay retroactively? Well, if you will check the date of the issue and the date mentioned in the announcement itself, you will see that it was April 1st. Yes, that's right, it was an April Fools joke. Those of you who believed it? Well you're a bunch of fools -- at least in April. We have a proud policy of the lowest game fees and we would never charge retroactively; anyone who would deserves to be shot. Those of you who figured it out? Well done!

Some of the letters received on the cover notice will appear in the next issue.
