

QVO VADIS

This is QVO VADIS, newsletter of the UCSD Diplomacy game DIADOGHI. UCSD stand-by players are needed, and should contact me, not Rod Walker. Subscriptions are 10/\$1. Map/rule sets are 15¢ ea., available through Rod Walker. This is DIONYSUS PUBLICATION #1, edited by Dick "Almighty Zeus" (who else?) Vedder, 11940 Adorno Place, San Diego, Cal., 92128, (714) 487-5899, and published with the able help of Rod Walker, 5058 Hawley Blvd., San Diego, 92116, (714) 282-1921.

Almighty Zeus decrees a public thanksgiving of 25 days (Caesar only got 20) in honor of Rod Walker, who has generously donated the paper & printing facilities for this project, as well as for his invaluable advice during the development of said project.
