RANGERS: 31 points. ISLANDERS: 30 points.

IMPORTANT: I AM GOING TO BE MOVING SOON. CHANGE OF ADDRESS, EFFECTIVE 1/2/75:
62-60 99th St., Apt. 1220, Rego Park, NY 11374.

As a result, I will not be concentrating too heavily on Dippy o in the time between now and then. Further, I can see some confusion. So, you're all advised to send in orders twice, if possible, to avoid foul-up from one place to another. Naturally I'll keep track of the stuff but you're best protecting yourself. Oh, NO PHONE orders. I don't want to hear your orders over the phone, and I don't know the phone situation at the new place, so write. My phone will be operative till the end of December, so if there's something else you can call.

A volunteer has surfaced for the Turkish position. I don't like the idea of an unemployed 7-unit power. With the existing alliance structure I think the new player is acceptable.

SO, now playing Turkey is:

MICHAEL CHILDERS, 3900 Bridle Path, Marshall Texas, 75670

which is 40 miles west of Shreveport. He'll assume the position for 1908. Bye Tony.

COA: John Stevens, 188 Carlton Ave., Brooklyn, NY 11205

A call for (a) a two way I-T draw and (b) a three way I-T-F draw. Cast your ballots. Orders and no votes means 'no', no orders & no moves means 'yes'. Got it?

1973 CL press: To all concerned I am not dead but instead am recovering!
I have been in hospital last week. Some kind of bug not pneumonia as thought. Sorry!
Walter Blank.

Walter: To pick up an orphan the man to contact is Greg Warden, I guess. Another choice is to be associate or guest GM in some zine that does it that way. If Edi reads this as he prints it he might be able to supply more answers.

Space. First, I'm not only busy with moving but school also. That has and will mean a silent act for a while, tho not a disappearing one.

Second. As long as I have the space, the IDA election. Some of my choices.

President: Edi Birsan. Now one might say "so what, he publishes your zine" but that's not the whole of it. He was of aid in helping me put out games from another pubber (semi-orphan). In IDA business we've worked together well, and he's pushed along my project (Novice Packet) as well as I think anyone might or would have. And I think he merits re-election.

Ombudsman: Ray Heuer. I have never corresponded/met with Rod Walker, so can say nothing at all about him (pro or con). John Leeder has a good grasp of things and would be able, but I'm a little leery with his change of address whether he'll be able to function for the first few months. Ray Heuer seems level-headed and able so he gets my vote.

Editor: Gil Weiger. I cannot believe that Gordon Anderson is running for Editor, of all things. To surface after a few months leave, publish a mag and then run for a position requiring stability is a little beyond me. Gil Weiger has continued the regularity of the POUCH and seems to me to be the better choice.

Atlantic Region: John Boyer. John has done a tremendous amount of work in IDA as editor alone, and with the load of publisher relieved I have every belief that he will continue as an efficient and effective regional rep. Then again, I really can't say with much certainty since I don't know exactly what a Regional Secretary is supposed to do. Based on Nick Ulanov's campaign speech last year and his performance as secretary it would appear that a secretary does nothing. I hope John will, if elected, convince re otherwis.

There was some interest in a Diplomacy Variant with the U.S. in it. There are two available, Imperialisms VIII and XV. Both use theworld. Imperialism VIII adds Japan and U.S. while Imperialism XV also adds Brazil. Any takers!
