Stand-by orders requested from anyone (well ... almost. Not on this one, Gary) for the Russian position. If Mr. Callahan misses the builds then any s/b submitted will be used and said person will assume the Russian position (ie, there won't be a one-turn lapse as with Germany). Any of those CL players who are willing to stand by?

Notice that my phone number has been omitted? Well, that's my way of hinting that you should mail orders, not phone. Again, I assume no responsibility as far as being home to accept orders. And if I'm not there, my parents will not record your orders. So mail, alright people?

73AX (fall due), 73 CK (winter only due).

NEXT DEADLINE: THURSDAY, MAY 8, 1975. I believe that's either during or right before my finals. Should be interesting.
