

Mr. Joel Klein, 62-60 99th St., Apt. 1220, Rego Pk., NY 11374  
 published by Ed Birsan

In our last installment, we had four games. With this issue, we will have three. Further, as long as I have your attention, how about somebody assuming Russia in 1973 CK.

The big news is that I am moving. Previously on the brink of graduation, I have fallen over. A manifestation of this is the electric typewriter used for this issue. However, I will only have another three weeks to use it as it stays here. Anyway, back to the point. My new address:

Apt. 507-1, Engelhart Hall, 1915 Maple Ave., Evanston, IL 60201.

This change of address is effective June 24. Kindly do not mail orders to Rego Park; hold them, and mail them to Evanston. I will not accept responsibility for orders mailed here. I don't know if they'll hold mail received there early, so I suggest waiting to mail.

For the curious, I am going to Northwestern in fall, and will be working there over the summer on the project which I will have my assistantship for in fall (got that?).

And while we're on COAs, consider the following:

Steven Nozik, 57 Chartwell Ct., Rochester, NY 14618

Call for a concession to France. No vote equals "no".

NEXT DEADLINE: FRIDAY, JULY <sup>21</sup>18, 1976. This gives me time  
to get set, and doesn't put pressure on sending your orders out.  
Players in 1974 U: unless you're in another game, this is the  
last RANGER you'll receive. UNLESS you'd help by assuming  
the Russian position in 1973 CK.
