There was a veto fo Vern's taking over Japan. Eugene Paulson's sub has  
 expired with last issue. I f you are writing him, you might mention that  
 to him.

The following subs expire this issue: Kendter, Pyfrom, Sulsberger,

Standbys will be needed for the postal tournament. If you are not planning  
 to otherwise play in the Tournament, this will get you into a free game.  
 Standbys are only called after a Spring, 1901 miss, so the country you  
 get won't be in too horrible a shape. If you are interested, please let  
 me know as soon as possible.

We still need 14 players before the Tournament can start. If you have  
 indicated your interest, but have not paid, please send the money before  
 Dec. 31.

My apologies to everyone whose press was deleted, but I just managed the  
 space limitations. I will print one liners when space permits, but longer  
 releases are out of the scope of the present Saint George. Sorry.
