

# Saint George

AND THE

No. 49

February 9, 1980

A Vast Wasteland Publication

THANK YOU, CANADA !

The following subs expire with this issue:

Clyde Hayman, David Hooton, James Lawniczak, David Rohde

No specific amount must be paid, just multiples of a quarter.

The Postal Tournament still needs 12 players. The absolute deadline is February 16, 1980. If sufficient entries are not received by that time, all money will be refunded. This will reach you too late to allow you to enter by return mail, so if you have decided you wish to play after all, mail the check, but call me and tell me you have, and I will begin processing you.

I hope the plug in Diplomacy World will generate enough new entries to get this started, but if it doesn't, there will be no point in waiting any longer.

There is a movement afoot to revive a hobby wide organization. I think any movement to resurrect the IDA is purely obstructionism. Whether you think a hobby-wide organization is needed or not, even the staunchest defenders of IDA must admit that FOR WHATEVER REASON IDA no longer is an effective hobby-wide body. When the new organization is announced, take a look at it on its own merits, but face facts, IDA is dead.

IF I should revive Saint George, how many players would be willing to have their subs refigured at approx. 10/\$4.50? Please let me know as this will give me some indication as to whether there is any interest in the revival of Saint George.
