Press: Venice: The fall of Rome to the French(Boef Hiss!) has forced the
 moving of the capital to Venice Another move is soon expected, probably
 to Berne, Switzerland.

D'Alessandre submitted a build for Winter, but evidently didn't notice
 that Spring was due. He still officially has the position. Thanks to
 Clark Reynolds for submitting standby moves. No standby is called this
 time for Italy.

 Germany.

I want to thank all of you who showed such enthusiasm for a renewed
 Saint George. I have decided not to do so at the present time, but I
 shall certainly keep it in mind for later. I am not sure I want to
 take on the added work to bring Saint George back to a full-scale zine
 and I think it's best not to open games unless and until I'm sure I
 will stick with it.

South America can retreat to Pan, if he wishes. This will affect the supply center total of his country and Africa. Africa should make his builds and spring moves dependant on South America's retreat.

The Diplomacy Tournament will be two rounds, leaving time for other things on Sunday and Friday. Origins will be in Delaware, so for those of us on a budget, this is the one for this year. The Michganders gave a great convention at Ann Arber in 1978. Hope to see you at this one.

I need one more entrant for the Postal Tournament. Entries are accepted until March 21. Send \$20.00. LAST CHNACE !
