

"The Home Office", published by Fred G. Hyatt, 400 State Street, Brooklyn, New York 11217, is devoted to the postal play of COLONIA, plus a limited number of DIPLOMACY and selected variant games. The zine is published once a month, with orders due at 12 NOON of the first Saturday of each month, unless otherwise noted.

Effective with this issue, the sub-rate is now 12/\$4.00. The Game Fee remains at \$2.00.

Game openings: NONE

Variant openings in other zines:

DRAGON & LAMB (Steve McLendon Box 57066 Webster, Texas 77598) has openings in COLONIA V (needs 5 more) and HOLOCAUST (needs 4 more).

URF DURFAL (Greg Costikyan Box 865, Brown U, Providence, RI 02912) has openings in YOUNGSTOWN (I think he needs three more)

POLITICIAN (Konrad Baumeister 11416 Parkview Lane, Hales Corners, WI 53130) has one or two spots left in a YOUNGSTOWN. (It is my understanding that if this game is not filled by his next deadline, it will be withdrawn, so SOMEBODY sign up for it!!)

THE FLYING DUTCHMAN (Jack Brawner 2745 54th Ave.S. St. Petersburg, Fla. 33712) has openings in WORLD WAR IIIb.

Last issue, I stated that I would take on two games from Dave Bunke's now defunct "9th Circle". Due to space limitations, I must withdraw that offer. Dave is aware that I cannot take on more games at present.

ATTENTION: VICTOR RIUCI and ~~John Lipscomb~~: Your subs expired LAST ISSUE. You are receiving this issue out of the goodness of my heart, but if you fail to renew by the next deadline, you will be dropped from the list and replaced in your games.

BOARDMAN NUMBERS: As of January 13, 1980, Lee Kendter, Sr. 4347 Benner St, Philadelphia, Pa 19135 is the new Boardman Number Custodian. While a fee for the services of the Custodian is NOT required, Lee would greatly appreciate a \$1.00 donation to help cover expenses for each number requested. I expect Lee will do an excellent job in this new undertaking, as he does in every hobby related project he is involved in (including his zine and his level of postal play).

NOTE: The following subs expire with this issue: Stephen D'Allesandro, M. R. Gemignani, Lee Kendter, Sr., Jerry Muto, PLEASE RENEW!!

GUNBOAT COLONIA (1979Lfh) Several people have asked when, and if, I will be printing the moves for this game. That is a very good question!! Space is at a premium and I am unwilling to go over the 15¢ postal charge. At one point or another, there will be something about it, if only the final center chart and list of players. At present, Austria and England are leading the field, with Russia, Spain and Portugal clinging to thin straws. China is growing slowly but steadily, while France, Ottoman and Netherlands may be stagnating.

MUNSTER: Nice to be in a game where almost everyone writes. Keep those cards and letters coming.

CARDIGAN: We don't know how to Solvay the Lawless actions of our Hereford cow. Obviously, the move was made under Durness.

FALL 1752 Orders due to Karl 9 PM, February 27, 1980

THE PRESS BOX: (In order to be fair aboutspace, I am puttingall press in one section of the zine, rotatng the games,if necessary)

1979Gfh Press: GM to Netherlands: I have a notation that you sent press on Fall 1751. I forward allpress to Fred and keep no copies. Either I lost it and didn't send it, or Fred decided not to print it for space reasons. (The latter iscorrect)

1979Afh Press:

Madrid: Reports have been circulating that the King of England has recently painted hks throne puce and pomegranate in order to match virtually everything else in the British Empire.

1979Bfh Press:

Peking to Vienna: Japan is yours; we welcome the enlightened nations of Europe in our crusade(?) to free the oppressed peoples of Siberia

Russia to Austria: Is Japan enough of a down-payment?

ISTANBUL: Note: I Did not propse the concession to the Ottoman Empire. I would be disappointed if I were towin on a freak vote which it would have to be if I did indeed win. I, of Course, did not vote against it as that would be foolish play (I abstained) (( Fred here: As per last issue, an abstention counts as "YES")) Right now, I have no intentions of winning singlehandedly and had hoped instead to share in a joint victory with some ofte better players in this game. (I myself havenot played that well especially in regards to correspondence which is the heart of the game). In a wayI suspect that whoeverpropoesed this concession was trying to draw attention to my recent growth in order to entice others toattack me. Good Play! (( If you believe this, I'll tell you another!!))

1979Efh Press:

ANTWERP to MOSCOW and PEKING: Dis-Engage, Gentlemen! The Ottoman Empire and the Portuguese-Spanish Alliance should be your targets! ((Amen, Hallelujah!!))

1979Ffh Press:

Moscow to Peking: Why are you attacking me? All I am trying to do is blaze new trade routes into the interior of China. I seek only peace with you. Let's be friends. Thank you. (( Blaze? Asin "fire and sword"?))

ISTANBUL: Caliph takes nation off the Gold Standard and places it on lemon-lime standard. Five lemons to be equivalent to one Russian ruble. \* \* \* \* \*
