UTOPIA XI

INDECENT!

1. JOIN THE DIPLOMACY ASSOCIATION!! If that sounds like a contradiction, it is because things are happening. If the DA is to be democratic, representative, and useful, the internal reforms advocated by many of the DA's members need to be adopted. Sooner or later the membership must be allowed a voice, even though Chairman Beshara opposes any election or vote; at least any free election or vote. Join the DA now and help us overcome the designs of postal Diplomacy's President Thieu. Membership is \$1 annually to: Larry Peery, 816 24th St., San Diego CA 92102 or Walt Buchanan, R.R. #3, Lebanon IN 46052.

2. STAND-BY POSITIONS are available. P. M. Gaylord (see last issue) and Lewis Fulcifer, 321 Twin Towers, Albion MI 49224, are reactivating Bill McBuffie's variant games from THANGORODRIM and TALLEYRAND. Several of the original players are not responding, and stand-by players are therefore needed. Games include various Middle-Earth variants, Scottomacy, and others. Write either or both of the gentlemen above if you are interested. Each is taking some of the games.
