

-WILD 'N WOOLY

Aw! Just one more
move and I'll WIN!
I've just now got them staked
high enough!

Wild 'n Woolly #17

November 23, 1968

Well, apparently Dan Brannan has been re-incarnated because here is another issue of Wild 'n Woolly. You, no doubt, have heard your grandfather speak of starting coal stoves with wadded up Wild 'n Woollys? perhaps you may have heard him speak of Sgt. Saturn? or Dick Nixon? Honor among men?
..... he didn't talk much, did he?
