SAWICZEWSKI DRUNK AGAIN!

Spring 1907

1965KL

(Warszawa) Polish President Andrzej Sawiczewski appeared before Parliament today and read, to thunderous silence, a three-hour declaration of war against Rome. The deputies sat in stunned silence while their kindly president signed his country into oblivion.

By the end of the speech, after two deputies had died of shock, one had committed hari-kari, and twelve others had willingly sold their souls to a page boy named Melmoth, the whole of Poland was in turmoil over the brash madness of their President. It was then that Sawiczewski added the crowning touch to his whole revelry. "Oh, by the way," he concluded, smiling sardonically at the maddened deputies, "I was only kidding."

John Koning: Please pass the butter.
 John Smythe: Sure, which game?

BUT TIMES HAVE CHANGED! From the Bloody Smythe of Rome:

The Imperial Government of Italy wishes to announce that henceforth the just, God-fearing, peace loving peoples of Italy are at war with the vicious, deceitful, greedy and devil-worshipping Kaiser Johannes Koning. The brave, God-fearing, peace loving and humble sons of Italy are commissioned to seek out and destroy all peoples and governments faithful to the government of Kaiser Koning. The declaration of war also applies to any and all time lines where the disciple of Belial seeks to conquer the world. The just, peace loving and humble peoples of Italy make this declaration only after many sleepless nights during which they contemplated the consequences of their declaration on their future relations with the powerful despot. But we just, God-fearing, and humble people feel that given our military posture and our ever faithful allies we can kick the _____ out of Mr. Koning and his minions.

Any and all Christian peoples interested in spreading the true word to the far corners of the world and in destroying the followers of the devil are invited to join with the just, God-fearing, peace loving peoples of Italy. Please make all contributions payable to me.
