

WILE 'N' WORRY #10

21 September 1970

Eeek...this is WILE 'N' WORRY, the last drop of WILD 'N' WOOLY and its former games. Oh, well... Anyway, there are no game openings; subscription rate is \$1/10 to non-players (free to players). This is Pandemonium Publication #198 and was edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; 'phone (714) 282-1921; member, NPTF Games Bureau Diplomacy Division and IFW Diplomacy Society.

"It was the only way to shut them up."

Everybody note that this is late. So is everything else. NUMENOR is already 10 days behind schedule and will not appear until October. As for the rest...well, if you-all will note in your 'zines that getting back into school after the summer break is just as time-consuming as getting out, and therefore all of my 'zines are going to be behind, I would appreciate it.
