

The Bavarian Illuminatti are on vacation. In the interim, we bring you this scenic view of our home office...

"Abandon hope, all ye who enter here"

Yes, this is WILE 'N' WORRY, back to plague you after a long absence caused by things you wouldn't believe, so why bother? Any-

way, there are no game openings in this beast, which is sent free to survivors of the old WILD 'N' WOOLY, as a sort of consolation prize. Subscriptions are 10 for \$1. Back issues are 5¢ each. This is Pandemonium Publication #210, edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; 'phone, (714) 282-1921; member, NFFFGB DD and IFW DS.

Collect calls for missed moves are now being made again. I will call you on the night of

the deadline, if I have your number and your permission. Please be sure to specify person or station calls. I have permission to call Terry Kuch (person). Anybody else? You can all, of course, submit Sealed Orders.
