Gloria in Excelsis Me! This is WILE 'N' WORRY and this is our Christmas issue. Have a merry. Anyway, this is all that remains of the late, great WILD 'N' WOOLLY, whose moral remains, 1966C and 1966Z, are exposed below. We have no game openings, no game fees, no cost to the players. Subscriptions are 10/\$1. Back issues are 5¢ each in lots of 4 or more. This is Pandemonium Publication #232, edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; telephone (714) 282-1921; member, NFFF, GBDD and IPWDS.

1966C -- FRENCH WARFARE CONTINUES AS FIVE UNITS SUCCEED IN MOVING

Spring 1917: Charles Wells and John Koning have both requested I not adopt John McCallum's proposal. Perhaps I did not explain it as well as I might. Any-  
was, as a bookkeeping problem, I think I'd rather not use it. But we can speed up the game. Here's how. Each player should label his moves "tentative" or "final". When I have a set of 4 final moves, I will publish, the deadline notwithstanding. If I still have "tentative" moves on the deadline, I use those. Of course, you can still make changes to a set of "final" moves if I have not published. In most cases, I've had all the moves quite a bit before the deadline, so maybe.... Please, there-  
fore, label your moves as "tentative" or "final", OK?
