

WILE 'N' WORRY

#7

6 July 1970

Yes, all ye who enter here, abandon hope, for this is WILE 'N' WORRY, which carries the last survivors of the old WILD 'N' WOOLY games with the hope that we might finish 'em before they're five years old. No game openings; subscriptions are 10 for \$1. This is Pandemonium Publication

#176, and was edited and published by Rod Walker, 5058 Hawley Blvd., San Diego CA 92116; 'phone (714) 282-1921; member, NFFF Games Bureau Diplomacy Division and IFW D. Society.

"He got out through the what??"

Please Note that changes to the House Rules, specifically new rules 36 and 37, already announced in EREHWON (which you all get) apply to these games as well.

WINTER 1910 ADJUSTMENTS are due Friday, 17 July 1970. Terry Kuch sent me moves for 1968AJ, another of my games, before the deadline for 1966Z, so I presume he merely sent the wrong sheet of paper. I have a resounding no from England on the question of a draw, so on we go. Given Turkey's preference to switch and fight, a draw may not be so realistic as it might have been otherwise. All Hail the ~~Tri~~ Conrad!
